

Thank you for your interest in Seasonal Camping at Pittock Conservation Area. Here you will find pertinent information on the process to become a Seasonal Camper.

All campsites are on a first come, first served basis. We do not have a waiting list, nor do we hold sites.

Prior to completing Seasonal registration, we do require a photo of your trailer, inside and out, to ensure it meets all of our policy requirements. This can be e-mailed to [pittockca@thamesriver.on.ca](mailto:pittockca@thamesriver.on.ca)

We require the following 3 things in order to complete registration and receive payment:

- Photo ID with Permit Holder's Address
- Proof of Ownership
- Proof of Insurance

We welcome you to send the above three things along with the photos of your trailer to make the process easier.

Payment in full is required at the time of registration. The Seasonal Camping Fee covers your lot fee and 1 vehicle pass.

All Waterfront and Section 4 sites must remove their trailer from the site in the off-season. A limited number of spots are available within the park, on a first come first served basis at time of Winter Storage Payment.

Additional fees apply to winter storage for trailer/shed/deck or just shed/deck storage as well as any additional vehicle passes.

We do not have sewage hookups at the site. You can pay an additional fee for Sewage pumping, or dispose of the contents of your tank yourself at our dumping station.

Please ensure you take the time to read over the Rules and Regulations that all campers must abide by.
